The UVA Library supports research, teaching, and learning by creating inclusive and sustainable collections, services, and spaces. Six facilities on and around Grounds house many different centers and services and include staff who can help you with your research and teaching. All locations, except for the main library, which is closed for a major renovation, will be open this coming semester. You can see locations and hours at library.virginia.edu/hours

COLLECTIONS & RESOURCES

SEARCH FOR AND CHECK OUT RESOURCES
Virgo, the Library’s online catalog, provides access to materials like books, print journals, DVDs, maps, and digitized resources, as well as online articles from our rich array of subscription journals. Faculty can check out books indefinitely unless they’re requested by another patron; other borrowing periods vary. Materials may be renewed or recalled online through Virgo. search.lib.virginia.edu

HAVE LIBRARY MATERIALS DELIVERED TO YOU
The Library Express On-Grounds (LEO) service will deliver your requested resources to your department or in some cases to Library locations. library.virginia.edu/services/ils/leo

GAIN ACCESS TO MATERIALS NOT IN OUR COLLECTION
If we don’t own them ourselves, we’ll borrow the materials you need from libraries worldwide. library.virginia.edu/services/ils/ill/

FIND AND USE OPEN EDUCATIONAL RESOURCES
Open educational resources are free to students and faculty and can be customized to meet teaching and learning needs. Librarians will help faculty discover and use free and affordable resources. The Affordability and Equity program provides grants to faculty who wish to adopt, adapt, or create open resources. guides.lib.virginia.edu/oer
